

Route 7/15 Norwalk Project

Greetings!

We hope you are enjoying the Fall. The 7/15 Norwalk Project Team will be hosting two virtual Question and Answer (Q&A) sessions in the coming weeks.

Over the past year, the team has been developing the draft environmental assessment and 4(f) evaluation for the project. Since we have not been able to meet in person for a while, we look to these sessions as an opportunity to answer your questions about the project status and upcoming schedule. The sessions will include a brief update on the project, followed by the Q&A session.

The virtual meetings will be held on the Microsoft Teams platform on the following dates and times:

- Tuesday, November 30th at 12:00 PM
- Wednesday, December 1st at 7:00 PM

The meeting links will be posted on the project website one week before the sessions. If you cannot attend either session, the recordings will be available on the website after the meetings.

We look forward to meeting with you in a few weeks.
